SUMMARY

Motivated Computer Science graduate with hands-on experience in full-stack development, Java-based applications, and web technologies. Skilled in designing and implementing scalable applications, database integration, and UI development. Strong problem-solving abilities and collaborative team player seeking to contribute as a Software Developer in a growth-oriented organization.

EXPERIENCE

Full Stack Development

Mar2025-present

Work on web applications integrating frontend(React.js, HTML,CSS,JS)and backend(Java, Spring boot, Hibernate,) Gained experience with MySQL for database integration. In **KODNEST**

Web Development

Sep2023-Oct2023

Built and maintained websites, web applications, and mobile applications. Applied front-end technologies including HTML, CSS, JavaScript, and React.js. in **Take It Smart**

PROJECTS

Sales Savvy

Engineered a scalable modular e-commerce platform with six micro services (Auth, User, Product, Cart, Order, Payment), secure JWT-based access control, optimized APIs, and third-party payment integration (Razerpays, Stripe, PayPal).Delivered a responsive React.js frontend for seamless shopping, cart, and order management, ensuring robust security, smooth workflows, and Agile team collaboration via Git/GitHub.

Meal Mate

Developed food delivery platform using Python and Django that connects users with local restaurants for browsing, ordering, and real-time order tracking. Implemented seamless user experience with efficient backend workflows and responsive design for smooth delivery management.

Employee Management System

Developed an Employee Management System using Java, MySQL, and JDBC for efficient employee data handling and CRUD operations. Designed an interactive GUI with Java Swing (Window Builder, JFrame) for seamless employee management and database integration.

EDUCATION

2022 - 2025 Bachelor's Degree at **City Engineering College**

2019- 2022 Diploma at **Government Polytechnic**

SKILLS

Back End	Java, Spring-Boot,
Front End	HTML, CSS, JavaScript
Database	MySql
Cloud	AWS
